Quick Guide

Express Pack

Cleanliness and germ-fighting benefits are the reasons why people consider Ozark River Portable Sinks® in the first place. Keep your Ozark River Portable Sink® hot water system free from bacteria and odor for the life of the product. Our Steramine Quaternary Sanitizer keeps the inside plumbing of the tank clean, sanitized, and odor free. Includes 10 Express Packs, just one pre-measured packet does the job.

For your convenience, you can use Steramine® as a bleach replacement product when you use Chlorine bleach as a surface sanitizer. Mix once and use, unlike Chlorine solutions that you have to be mixed each and every day. We also offer a convenient Starter Kit that includes everything you need to begin using Steramine® as your surface sanitizer.

Master Pack

Keep your Ozark River Portable Sink® hot water system free from bacteria and odor for the life of the product. Our Steramine Quaternary Sanitizer keeps the inside plumbing of the tank clean, sanitized, and odor free. Includes 10 Express Packs, or 100 total packets, just one pre-measured packet does the job.

Sanitizer Starter Kit

For your convenience, use Steramine® as a bleach replacement product when you use Chlorine bleach as a surface sanitizer. Mix once and use, unlike Chlorine solutions that you have to be mixed each and every day. Our convenient Starter Kit includes everything you need to begin using Steramine® as your surface sanitizer.
