

LIL STEP BOOSTER

Our Lil Step Booster is the perfectly pint-sized boost for your Lil' ones and their Lil' hands. 6 1/4 inches of extra height gives them the portable leg up they need for independent handwashing, subbing in for that commonly used tiptoes technique. Sturdy, slip-resistant rubber feet and three safety strips on the step itself make this compact and mighty, 300-pound capable companion a must-have for any childcare or classroom environment.
