

ELITE LS 3

Our Elite LS 3 model of self-contained, portable, hot water, handwashing sink is the compact, high-volume area confidant you've been looking for. You'll have all the room you need for handwashing code compliance without sacrificing any valuable workspace. NSF-certified and out-of-the-box ready status make this model a simply cleaned and seamless point-of-contact handwashing and wash, rinse, sanitize station that's ready to travel when the need arises.

Food-safety-grade stainless steel countertops, cabinets, and a three-compartment stainless sink basin are only improved by a built-in, top-fill soap dispenser. Keyless locking white/black doors with white/black edging keep your quick-connect tanks safe, out of sight, and standing by.
