

Essential Series

Foot Pump, Cold Water Only

Our Essential Series foot pump, cold water only sink is the budget-friendly way to bring handwashing wherever you need it. Created as the economical alternative to our NSF-certified, hot water models, this foot pump portable sink is ideal for areas not accessible to electricity or water. It's out-of-the-box ready and expertly designed with the same quality features Ozark River Manufacturing is known for, including our quick-connect fresh and waste-water tanks and easy-to-maintain materials.
