

FRONTIER WHITE

Our Frontier White portable sink is bringing hot water handwashing to places it's never been before. Rough ground? Meet the Frontier's treaded casters with 360° spin and secure locks. Tight spaces? Say hello to the top-opening countertop for easy access to the hot water system, faucet, and soap dispenser. No way to dry hands? Introducing our first model with a metal paper towel roll holder.

This rugged, weather-resistant portable sink model adapts to any indoor or outdoor environment, promoting handwashing code compliance with ease. Durable, waterproof HDPE countertop and stainless single sink basin with top-fill soap dispenser are supported by a stainless steel and HDPE cabinet that stores your quick-connect tanks and hot water system. 5 gallons of on-demand, hot water handwashing keep public health and safety at the forefront of any public event, disaster relief, food service, construction site, and anything else you can throw its way.
